7. Governorbrief

Rheine, den 25. Januar 2012

Liebe rotarische Präsidentinnen und Präsidenten,
liebe rotarische Freundinnen und Freunde im Distrikt 1870,

das neue Jahr soll mit etwas Erfreulichem beginnen!

In der Anlage finden Sie ein Beispiel des wöchentlichen Newsletters, den ein italienischer Rotarier herausgibt.

Anders als andere Publikationen verbreitet er - im Wesentlichen aus dem rotarischen Umfeld - nur gute Nachrichten!

Es ist zu wünschen, dass neben den 10.000 Journalisten und 20.000 Rotariern, die diesen kostenlosen Onlinebrief schon jede Woche beziehen, viele Rotarier sich anschließen!

Die Besuche der 73 Clubs des Distrikts sind nun vorüber.

Von dem Ausmaß an Engagement in regionalen, aber auch internationalen Projekten und von der Atmosphäre in den Clubs, die von rotarischem Geist und rotarischer Freundschaft geprägt ist, kann man nur begeistert sein.

Einen höchst interessanten Abschluss fanden die Besuche mit der Halbjahreskonferenz der Präsidentinnen und Präsidenten am 07. Januar in Düsseldorf.

Dort trafen wir uns mit acht anderen Serviceorganisationen, um voneinander zu lernen.

Die Vorträge dieser Veranstaltung finden Sie auf der Website des Distriktes www.rotary1870.de.

Die Berichte sind es wert, heruntergeladen zu werden und vielleicht im Rahmen eines Clubmeetings vorgestellt und diskutiert zu werden.

Bei meinen Clubbesuchen habe ich regelmäßig über die Aktivitäten der zahlreichen Rotary Fellowships berichtet.

Rotary International gibt hierzu periodisch einen "Fellowship Advance The Newsletter" heraus - den letzten habe ich in diesem Schreiben wieder beigefügt.

Mit herzlichen rotarischen Grüßen,

Ihr

Rainer Reichert

Rotarier aus Italien verbreitet gute Nachricht

Wer heutzutage eine Zeitung aufschlägt oder Online-Nachrichten liest, der findet viele bedrückende Geschichten über wirtschaftliche Probleme, Terrorismus, Naturkatastrophen etc. Dies dachte sich auch Rotarier Sergio Tripi vom Rotary Club Roma Eur und beschloss einen Nachrichtendienst zu gründen, der mehr erfreuliche Nachrichten in der Welt verbreiten würde. "Wer immer nur die negative Seite einer Geschichte hört, wird deprimiert und entmutigt und versucht erst gar nicht, sich für eine bessere Zukunft zu engagieren, besonders jüngere Menschen", so Tripi.

Der wöchentliche Newsletter der [Good News Agency](#), der in englischer, italienischer und portugiesischer Sprache erscheint, geht in 54 Länder und erreicht 10.000 Journalisten, 3.000 Nicht-Regierungsorganisationen (NGOs), mehr als 20.000 Rotarier und Schüler an 1.600 Schulen.

Die circa 50 bis 60 Meldungen pro Woche enthalten stets auch Informationen zu Rotary-Projekten. Darüber hinaus kommen Artikel von anderen NGOs und den Agenturen der Vereinten Nationen (die Good News Agency pflegt enge Kontakte mit dem UN Department for Public Information) sowie von Tripi und seinem Team aus freiwilligen Journalisten.

Tripi, ehemaliger CEO von *American Express Financial Services* in Italien und ehemaliger Repräsentant Italiens an der UN-mandatierten *University of Peace*, gründete die Good News Agency im Jahr 2000, als Erweiterung seiner Wohltätigkeitsorganisation *Associazione Culturale dei Triangoli e della Buona Volontà Mondiale*. Nachdem Tripi erfolgreich Beziehungen zu Nonprofit-Organisationen und den Medien aufbauen konnte, wandte er sich in einem nächsten Schritt auch an Schulen. Unterstützt wurde er dabei von Rotariern, die Präsentationen vor Schulleitern hielten und Aufsatzwettbewerbe an den Schulen starteten.

Antonio Muñoz, Mitglied im Rotary Club Hermosillo Pitic, Mexiko, ist Schulleiter an einer Schule, wo die Schüler den Newsletter der Good News Agency im Englischunterricht lesen. "Das Umfeld in dem unsere Schüler aufwachsen ist oft geprägt von Gewalt [...] die Good News Agency zeigt ihnen eine bessere und gesündere Seite des Lebens auf und vermittelt ihnen, dass Gewalt, Ignoranz und Korruption nicht die Normalität sind", so die Englischlehrerin Pamela Cañez Carrasco.

Message from Jesse Allerton

There has been some reorganization in my section during this past year, and as a result Kathryn is no longer working directly with Rotary Fellowships (though she is still part of our department). My colleagues Jessica Bueltmann and Beth Santos now join me in supporting the fellowships, and jointly manage our Rotary Fellowships inbox, rotaryfellowships@rotary.org.

Message from the Chair

Fellow Rotarians,

Welcome to the latest issue of the *Fellowship Advancer*! Let me extend my thanks to all the Fellowships that contributed information about their activities for this 11th issue. Fellowship Chairs are encouraged to submit articles to inform and promote interest in the Rotary Fellowship World.

Distribution of the Newsletter

- The Newsletter is prepared by members of the Fellowship Committee and distributed by our support staff in Evanston, Illinois. A special THANK YOU to staff members Jesse Allerton and Kathryn Nichols for all they do to support the Fellowships.
- Each issue of the Fellowship Advancer is distributed by the staff to all Fellowship Chairs and the District Fellowship Chairs.
- District Fellowship Chairs are responsible for distribution of the Newsletter to the clubs.
- This is completed at no cost to the Fellowships or to the Districts.

A really big THANK YOU to Fellowship Committee member Stella Russell taking on the responsibility of editing yet another wonderful edition of *The Fellowship Advancer*.

As always, the general Fellowship Booth at the Bangkok Convention needs volunteers. Hopefully, each Fellowship represented at the convention will be able to spare a little time to staff the booth and further the cause of all Fellowships. If your Fellowship does not have a booth but you would like to distribute information about your Fellowship, please let me know and I will provide shipping information for the materials. I hope to see many of you in Bangkok!

**Yours in Rotary Service
Steve**

There are currently 58 Board recognized Rotary Fellowships in good standing. During 2010-11 three new fellowships were officially recognized by the RI Board of Directors: We wish them luck in the coming years and look forward to hearing their progress.

From the editor

Thank you all once again for sending in your items for The Advancer. Hopefully you will have some time to spare over the Festive Season to look though to find out what has been happening with the Fellowships this year.

By the time you read this the Festive season may be over, but I hope that the New Year will be a Prosperous and Healthy one for you all.
With best wishes

International Fellowship of Rotarians of Amateur Radio

<http://www.ifroar.org>

Further fellowship among Rotarians and goodwill among people of the world via amateur radio.

I am the president (2009 - 2012) of a Fellowship where members are Rotarians and radio amateurs. It is The International Fellowship of Rotarians of amateur Radio (ROAR). We are approximately 400 members in the world. ROAR is one of nearly 60 Fellowships which are active under the supervision of Rotary International. Every Fellowship is uniting Rotarians under the interest of another hobby.

Fellowships may not be capable of taking action but its members can do

it. In my Fellowship individuals are doing what they can to promote good causes.

There are nearly three million radio amateurs in the world. In spite of not having a global organization, they are united by the brotherhood of the hobby. Years ago an Australian radio amateur got involved in helping the citizens of Galkyo town in Somalia, Africa to establish a radio station for the distribution of reliable information and to guide the youngsters to keep away from the pirates who were active in hijacking ships around the Horn of Africa. Radio amateur spirit is similar to rotary spirit and by entwining these two together within the ROAR Fellowship a strong bonding is formed. The attempt of radio station was "sold" to an Australian Rotary club and a ROAR member (PE/2012-2015) of that club took the lead of the project and the radio station got in air.

The next step some years later was to set up second radio station in another town, Bosaso. At the time the number of hijacked cargo ships was 20 and 400 sailors were kept hostage. With international cooperation in which also ROAR members from three continents participated, the necessary moneys were collected. The radio station was recently purchased and delivered (www.ifroar.org/communicator 1/2011).

Rotarians' International Fellowship of Authors and Writers

Fellowship Chair & Founder - Marilyn Rognvaldson Rotary Club of Guelph-Trillium, District 7080 Ontario, Canada

- To develop and promote worldwide friendship for Rotarians with a common interest in writing;
- To foster friendship and fun among Rotarians from all over the world
- To spread and promote writing to servce the community and humanity;
- To promote international understanding and peace in the world.

In June 2010 Marilyn Rognvaldson, a Rotarian for just less than one year, attended the Rotary International Convention in Montreal, Canada. Marilyn heard about many, many ideas in Rotary and all the wonderful ways to get involved. She learned about World Wide Fellowships in the House of Friendship and quickly realised there wasn't one for those interested in writing. She sought help from her friend and club mentor, Barbara Fisk, and moved swiftly to ensure she shared her idea with everyone she saw. She obtained names and contact details for Rotarians around the world, knowing she would need their help and assistance in achieving Rotary International's sanction for a new fellowship.

Upon returning to her District 7080, Marilyn continued her journey and sought support from local clubs and at the District Conference. She researched the rules for setting up a fellowship and set out to make it happen. By December of 2010, the constitution was written, the charter executive was in place and documents were off to RI for submission at the December meeting.

International Fellowship of Cricket-Loving Rotarians

<http://www.rotarycricket.org/>

<http://www.rotarycricket.org/>

Promotes international fellowship with Rotarians by playing cricket.

A new chapter of IFCR in USA was inaugurated on April 27, 2011 by the Rotary Club of Cupertino in California USA.

It started with President Beverley Lenihan officially launching the chapter of the International Fellowship of Cricket-Loving Rotarians by cutting a specially made Cricket Cake and introducing Mahesh Nihalani to tell members all about cricket.

Behind Mahesh was a banner of the International Fellowship of Cricket-Loving Rotarians featuring participating countries – Fiji, Sri Lanka, Pakistan, Nepal, South Africa, Australia, Great Britain, New Zealand and India.

Mahesh introduced Hemant Buch, founder of the California Cricket Academy.

Hemant talked about the importance of getting cricket into the United States and mentioned the International Cricket Council - the world governing body. He reported that "China is beginning to play cricket and that cricket is attracting crowds worldwide and is also doing well financially with a 50% increase in revenues between the 2007 and 2011 World Cup events. Simply put, cricket is a popular worldwide sport that continues to grow in revenues and participants. For the United States to truly participate at a high level requires schools to offer cricket as a sport. One only needs to look at countries involved in the International Fellowship of Cricket-Loving Rotarians to realise that these countries have immigrants in the United States and many in Cupertino"

Following the formalities Rotarians then moved outside for a demonstration on the lawn of Memorial Park.

Two coaches from India introduced them to the required equipment and explained the rules of the game.

A number of Cupertino Rotarians took turn to bat with Rotarian Jerra Rowland saying "I loved trying to bat – it's harder than one might think. It would be great if we could have a Cupertino Rotary Cricket Club - I would play".

Esperanto Rotarian Fellowship

<http://radesperanto.monsite.wanadoo.fr>

Consists of Rotarians using and sustaining the language Esperanto in order to realize Rotary ideals of understanding, friendship and peace between nations, facilitating personal networking amongst Rotarians of different languages, and advancing the humanitarian services of Rotary.

RADE KONSTRUIS KOMUNUMOJN KAJ KUNLIGIS KONTINENTOJN

Dank'al esperanto, nia amikaro sukcesis, krom aliaj agadoj, realigi la devizon de nia internacia prezidanto (konstrui komunumojn kaj kunligi kontinentojn). Efektive, dum la monda rotaria kongreso en New Orleans ni renkontis ne nur malnovajn esperantistajn rotarianojn sed ankaŭ Sherry Wells kaj Ronald Glossop rekrutis novajn kiel Viktoro kaj Elena Ĉubenko, rotarianoj el Ukraino (vidu la foton). Nia komuna lingvo permesis al ni interparoli egale. Sed la rotaria movado bezonas ankaŭ gejunulojn por daurigi la rotariajn celojn. Ni speciale fieras ke junaj rotaraktanoj kaj interaktanoj el Brazilo, Ukraino kaj Bulgario nun partoprenos nian amikaron kiel ili partoprenis la rotarian movadon. Ni certas ke la juna rotaria esperanta komunumo entenas estontajn valorajn membrojn .

Ne nur kunligi esperantistojn en la rotaria movado estas grava sed ankaŭ promocii "Rotary International" en la esperanta movado estas fundamenta. Tion faris precipe Leandro Freitas, Giuseppe kaj Ursula Grattapaglia dum la Tut-Amerika Kongreso de Esperanto en Sao Paŭlo (Brazilo) kaj dum la Itala Kongreso de Torino (Italio). Dank'al ĉeesto de sep membroj, inter ili nia antaŭa prezidanto Marc Levin, RADE ankaŭ partoprenis la Universalan Kongreson de Esperanto en Kopenhago (Danlando).

RADE HAS BEEN BUILDING COMMUNITIES AND CONNECTING CONTINENTS

Thanks to Esperanto, among its other activities, our RADE Fellowship has been carrying out the slogan of our World President to "Build Communities and Connect Continents." Indeed during the Convention in New Orleans, we not only met our other Rotarian Esperantists but Sherry A. Wells and Ronald Glossop also recruited new members such as Viktoro and Elena Chubenko, Rotarians from Ukraine (see photo).

Our common language enabled us to readily converse on the basis of linguistic equality. But Rotary also needs young people to perpetuate its Rotarian goals.

We are especially proud to see that young people of Rotaract and Interact in Brazil, Ukraine, and Bulgaria are taking part in our RADE Fellowship as they have become active in the Rotary movement. We are certain that the young Rotarian Esperanto community contains future valuable members.

It is important not only to bring together the Esperanto speakers in Rotary but also to promote "Rotary International" within the Esperanto movement. This was carried out mainly by Leandro Freitas and Giuseppe and Ursula Grattapaglia in Sao Paulo, Brazil during the Pan-American congress of Esperanto and in Turin, Italy during the Italian congress of Esperanto.

Mr. Ferguson was one of eight exceptional lawyers who received the Law Society Medal for 2011. The medal is reserved for Ontario's most dedicated and accomplished lawyers who have a record of outstanding service in accordance with the highest ideals of the legal profession. From the small town of Midland, Ontario, Canada he has devoted his life practice to

providing legal services to rural communities across Ontario. According to a fellow colleague and nominator "his service to the profession is exemplified in this willingness to travel to many smaller communities in Ontario. As a result of Mr. Ferguson's skill and willingness to travel, many in those communities have received first rate legal services which might not otherwise have been available and so doing he demonstrates a true sense of responsibility in providing access to justice." A true champion of the underdog, Mr. Ferguson has dedicated countless hours to making justice available to those in need not just those who can afford to pay the hourly fee or cases which promise a large pot of gold at the end of the rainbow. "I take it as a compliment that I cannot say no to a hard luck story," says Mr. Ferguson. "I am after all a member of a proud profession; it is a gift that is intended to be used to aid society – all of society, unconditionally." The Law Society Medal represents the highest level of achievement and commitment to serving society and the profession.

Rotary Marathoners in Australia.

The IMFR celebrates the joy of running. Members have come together once per year since 2005 to run in a nominated marathon. We have previously participated in the Paris, Berlin, Amsterdam, New York, Medoc and Vienna marathons, along the way raising funds for PolioPlus.

The true internationality of Rotary and the fellowship always comes with such gatherings and long lasting friendships have been developed through IMFR.

All these wonderful traits were again on display in a memorable 19 days in Australia in August, 2011. 45 Rotarians and family members – mostly from Europe - took part in a tour of Australia, which took in many of the highlights of this vast country. The tour included Fraser Island, the Great Barrier Reef, Uluru & the outback – where we even camped in the open air under the stars – and finished in the exciting city of Sydney. We all found it hard to say goodbye after a unique travel and Rotary experience. We also met many fellow Rotarians and made-up with three Rotary Clubs – many banners were exchanged!

In the midst of this experience, the tour group was joined by 13 more people on the weekend of August 7 to take part in the annual Townsville Running Festival. Almost all the tour participants took part in one of the running events, including over 20 in the full 42.1km marathon.

It is too difficult to describe the many experiences and emotions experienced but all participated to the best of their ability and made a great impression about Rotary with the local community. We all wore special running shirts, which added to the sense of 'team' and fellowship. The weekend included tours around the lovely Townsville area, breakfasts overlooking the beach each day, a fantastic Pasta Party and a great Celebration Dinner on the Sunday evening.

The IMFR is open to all Rotarians and their families. You do not have to be an elite athlete, just enjoy the challenge of running. More information is available on our website www.rotarianrun.org. Our next marathon is in Graz, Austria on October 12, 2012.

Members of the Rotarian Fellowship of Quilters and Fiber Artists raised close to \$9,000.00 US during the Rotary International Convention in New Orleans. Members contributed fabrics representing their countries which were assembled into two large "Trip Around the World" quilts. Other members donated a variety of handcrafted quilts, afghans, and other items which were on the display in the Fellowship booth at the House of Friendship. All of these items were exchanged for equivalent value donations made to The Rotary Foundation's Polio fund.

In November, members from the Western United States enlisted the help of Rotarians, community church groups, Interact clubs, and quilt guilds to collect over 300 Quilts for Kids as part of a project organized by Brenda Cressey, chairman of the Rotary Institute for Zones 25 and 26. All of the quilts will be given to the Wrap-A-Smile group who will label them and send them to Rotaplast International for future surgical missions.

RFQFA members are now making plans for their booth at the International Convention in Bangkok. The Australian quilters have already organized their project contribution. Newsletters and Photo Gallery of our projects and activities can be found on www.rotariansquilt.org.

Rotary Global History Fellowship

<http://www.rghf.org>

As an effort to serve others, RGHF accumulates and preserves the complete history, values and philosophy of the Rotary movement, as well as encourages others to do the same at every level of the Rotary movement, and publishes those histories, values and philosophies on the internet, as well as other forms of media as expedient.

On 11 October, Rotary Global History Fellowship celebrated 11 years of service with a gathering near Munich, Bavaria. RID Paul Knyff, himself an RGHF member and also RGHF board member, told members: "...We all know: you have no future when you do not learn from the past. And the past in Rotary is so interesting and intriguing..." "...I think Rotary history is an underestimated subject as far as the majority or the Rotarians is concerned. I support RGHF and our 1.000 members and our 14.000 subscribers to change that. I admire RGHF for the way the information is made available to the Rotary world and to the world around us. ..." RID Paul's entire comments are at <http://www.rghf.org/institute/2011/knyff.htm>

It was also announced, at the Bavarian institute, that an entire country had become represented.

The International Skiing Fellowship of Rotarians (ISFR) has scheduled two events for the winter of 2011-2012. The North American event will take place in Revelstoke, British Columbia, Canada, January 23 to February 5, 2012, and the European Chapter event at Sestriere, Italy, February 25 to March 3.

REVELSTOKE CANADA, JAN. 23 – FEB. 5, 2012

Like most Ski resorts, Revelstoke's press, videos, and trail map feature heli and cat skiing, and photos of expert skiing everywhere. But that is simply the history of the area as it started out: without lifts, a playground for expert skiers. What they also found was a wonderfully friendly all-skier mountain that gets the same storms that Whistler does without the afternoon wet heavy snow.

- How much snow? 40 to 60 feet each winter of dry powder.
- How much mountain: 5,620 feet of vertical skiing with a new high-speed gondola and quad chairs.
- The base village elevation is 1,680 feet and the summit is 7,300 feet. Lots of oxygen in the air. This is the same base and summit range as Whistler, Canada.

The mountain has bowls, glades, tree skiing, and a great mix of beginner, intermediate and advanced runs. The grooming is excellent. What the ski runs have in common is they are long. About when you expect to see the base of the lift you are only half way down. Take your time, enjoy the great views and you will have a great day.

SESTRIERE, ITALY, FEB. 25-MAR. 3, 2012

For Rotarian skiers Sestriere, www.ski2italy.com/resorts/sestriere/, offers skiing for everyone: 480 kilometers of slopes, 150 lifts, 214 ski connected courses, 3 cross-country trails, dozens of hotels, numerous restaurants and wellness centers. The variety of the skiing terrain will satisfy beginners, intermediates and advanced skiers, with many well groomed blue, red and black runs.

The Host Committee, chaired by Gianluigi di Marchi, demarketing2008@libero.it, has prepared a complete program of activities including the Rotarians' Ski World Championships in downhill, cross country and, for the first time, snowboarding.

Rotarians On Social Networks Fellowship (ROSNF)

<http://www.rosnf.org>

Promotes fellowship and service utilizing all the tools available on social networks.

Chair

Simone Carot Collins - Australia. Residence: 61-8-94564762; E-mail: organist@iinet.net.au

In May 2011, ROSNF sponsored its first booth at the RI Convention in New Orleans. The ROSNF "Like" buttons were a hit and made it easy to find members throughout the convention. Several members served on panels in RI sponsored sessions about social networking. It was great to get to meet members from around the world face to face instead of just on Facebook and LinkedIn. Now the ROSNF Convention Committee Chairman, Guz Goh, is organizing the ROSNF Booth and events for the RI Convention in Bangkok. Plan to attend and participate in a number of social networking sessions. The recently elected ROSNF Chair-Elect, Philip Merritt, and many others will be there.

ROSNF's Charter Chair and current Training Committee Chair, Simone Carot Collins, has helped with several basic and advanced RI Webinars this year on social networking. In addition, ROSNF's current Treasurer and Public Relations Committee Chair, Mel Powell, has led efforts to encourage clubs to create Facebook pages to promote their service and fellowship activities.

This year ROSNF adapted the original Facebook application developed by Rotaractor Max Plischke in 2007 to run on the current version of Facebook supporting Rotary, Rotaract, and Interact Club members. Anyone on Facebook can use the application to

learn about Rotary, visit other club and district Facebook pages, and network with club members around the world using Facebook. The Facebook application is here: https://apps.facebook.com/rosnf_gcd/
If you like learning more about using social networks to promote Rotary, join ROSNF and get involved.

Dear Friends

This year some significant activities have been done.

As known, the global Fellowship Groups offer unique opportunities for Rotarians to develop friendship and international understanding, and to support the Object of Rotary.

Therefore we have explored new opportunities regarding the Club approach and service to become more active with Rotary beyond the club level, and have a positive impact on the activity.

It is a privilege for me to announce that the Rotary Club of Catania D2110 has obtained, first in the world, the ISO 9001 qualification for its activity !!!

All the Rotary Club Members were involved with the support of Rtn Pasello D2040 who gave his professional skill to prepare the procedures and the internal audit, Rtn Lepore D2080 certified the Club through his Company under the full supervision and enthusiasm of Rtn Papa of RC Siracusa Monti Ciminini D2110.

The project involved three Districts in a unique cooperation of different professionalism.

We encourage all the TQM-RRVF members to enlarge the number of Club interested in certification and all of us are prepared to assist the Club to be certified according to ISO 9001.
